

Alternative and Integrative Medicine

General Star Management Company is pleased to offer its new Alternative and Integrative Medicine (AIM) physicians program. AIM is available for individual physicians and small physician groups that are unable to procure coverage in the standard market. Coverage will be written through designated surplus lines brokers in all states (except Kansas, Louisiana, New Mexico, New York, Pennsylvania and South Carolina) by **General Star Indemnity Company**, and in Connecticut by **General Star National Insurance Company**. Both companies are rated **A++** by A.M. Best and **AAA** by Standard & Poor's.

A General Star Broker Designation with General Star's Special Risks Physicians Professional Liability Program is required in order to submit qualifying business for this program.

Eligible Exposures

Physicians or small physician groups that include integrative and complementary therapies (including acupuncture, traditional Chinese medicine, homeopathy or herbalism) in tandem with traditional primary care medicine.
