

## **In Memory of Kevin P. Brooks**

It is with a heavy heart that we share the news of the sudden death of Kevin Brooks on April 3, 2020, due to complications from the Coronavirus.

Kevin joined General Reinsurance Corporation in 1969 and served in many senior roles, including as the founding Chairman, President and CEO of General Star. As a leader in the insurance industry, Kevin also served as President of NAPLSO (now WSIA), the surplus lines industry trade group. Finally, Kevin faithfully served his country, retiring as a Colonel in the US Marine Corps Reserve.

We will miss Kevin greatly and extend to his family our sincere condolences.
