General Star Programs Adds Title Agents E&O **American Insurance Professionals, LLC Appointed Exclusive Program Manager**

Stamford, CT, April 14, 2016... General Star Management Company is pleased to announce the launch of its Title Agents E&O program. Available in all jurisdictions except for Alaska, Hawaii, Louisiana, and West Virginia, the program is offered through American Insurance Professional LLC, Phoenix, AZ, the sole program administrator for this new national facility.

General Star's claims made and reported form provides competitive protection for traditional Title Agent E&O exposures. A three year Extended Reporting Period option is available.

The policy includes specialized enhancements designed to address contemporary business risks faced by title agent professionals. Employee Dishonesty, and Privacy Security & Technology, are two such built-in coverages. Each is offered with a separate \$25,000 limit of liability. A \$200,000 limit is automatically included for reimbursement of defense costs arising out of actions brought by the Consumer Financial Protection Bureau.

The program is written on a primary basis and targeted at small to mid-size title agent professionals.

"Adding one of the best recognized and trusted nationwide insurance brokers specializing in the Title Agents marketplace, is a terrific accomplishment for General Star Programs," said Matt Brown, Vice President and Delegated Division Manager for General Star. "Bringing together our unsurpassed security and E&O expertise with the experience and customer channels of American Insurance Professionals amplifies the strengths of both organizations. We are eager to put this combination to work."

In commenting further upon the new program, Martin Hacala, President and CEO of General Star, stated, "We are delighted to announce the latest addition to the family of E&O products offered by General Star Programs. Nancy Walker, President of American Insurance Professionals, has earned an enviable reputation in the Title Agents marketplace over the past 25 years. General Star is fortunate to

team up with Nancy and her organization, and launch a nationwide program designed to deliver the specialized protection needed by today's title agent professionals.”

Coverage is provided by General Star Indemnity Company, which is rated A++ (Superior) by A.M. Best Company and carries an AA+ Insurance Financial Strength Rating from Standard & Poor's Corporation. Coverage will be written on a non-admitted basis in all eligible jurisdictions.
