“My first rugby coach always said ‘You’ve got to finish it’. He drilled that mantra into my head and it’s stayed with me. In fact, I think it’s a big part of our success with General Star because they share the same philosophy. Regardless of the risk challenge, they always finish it.

“With top financial ratings and General Re behind them, their security is a given. But General Star offers much more—creativity, innovation, and a competitive can-do attitude. I’m proud to be on their broker team. Together, we finish it.”
