"Restoring antique farmhouses is a challenge. It requires creativity, attention to detail and a lot of hard work. I can't do it all myself, so I assembled a team of experts to help me. Together, we get it right."

"When it comes to Med Mal risk solutions, I've got another team of experts—General Star. They really know the business, and they are absolutely behind me, 100 percent."

"Sure, General Star's financial strength is impressive, but it's my team of Med Mal experts that helps me get it right—every time."
