

"Immediate Results"

"It took years of hard work and a lot of patience for this vineyard to begin producing the fine California Merlot I now enjoy.

"Producing positive results was a lot faster with our first company appointment over 30 years ago. It came from General Star, and from the very start, we enjoyed a strong partnership. Their A++ rating and Berkshire Hathaway backing speak for themselves. But for me, it's the quality of their people, dependability and integrity that sets them apart.

"A fine wine requires time and patience, but you can expect immediate results when you partner with General Star."
